All our bread is baked fresh daily at Danny's Bread in Teneriffe, an Artisan Bakery. Where we can this will be served with all orders, however if we run out Gluten Free crackers may be substituted. Our Bagels are also baked locally at Bagel Boys on Commercial Road.

Gluten Free Crackers are available with all share plates

Please note, whilst gluten free options are available, we only have a small kitchen and do not have a dedicated gluten free preparation area, we hope you understand!
